### February Field Trip

## **Boy Scout Camp**

Let's not forget about our February field trip to a Boy Scout Camp outside of Florence on February 24. It is a member's only outing and you should be registered to attend by our February 20 meeting – especially if you plan to take the shuttle bus. Cost to attend the outing is \$5 and covers any prizes given out; cost to take the shuttle is \$10 to cover gas and insurance; total is \$15 for the day.

The shuttle will be leaving from two locations; one in Springfield and one in Eugene. Those locations will be discussed at the club meeting Tuesday night. The directions to the Boy Scout Camp will

also be given out at the meeting.

If you have not registered yet, then please do so by visiting our website for the registration form; [www.CDCLC.org](http://www.CDCLC.org), click on the Other Club Activities link.

Thank you to member **Kris Walsh** for arranging the shuttle for the day from Porter Stage Lines.

This is the first of two field trips planned to Boy Scout Camps. The next one will be to Sisters! Thank you to member **Ron Carroll** for securing permission for us to hunt and making the necessary arrangements. \

**February Meeting**

Be sure to join us for the meeting on February 20 when member **John Huggins** will give a presentation on **GPS** units [originally scheduled for January 16]. He will explain what a GPS (Global Positioning System) is and how it works, and suggest ways it can be a useful tool in our quest for treasure. If you attended his last presentation on meteorites, then you

know John is an excellent presenter and a handy resource to have around the club! Thank you, John!

**Remember:**  
 Please remove your hat when entering the Elks lodge.

### FOTM Winners

Due to the cancellation of our January meeting because of bad weather, there are no FOTM Winners for January.

Any finds that would have been entered in the January FOTM, may be entered in the February FOTM. You will be allowed two entries per category on this one occasion. However, there will still only be one winning entry in each category, and all points will go on file for the month of February.

Note: When entering items in a category, please make sure the item meets the categories description. i.e. a jewelry item marked 925 (silver) should go in the silver jewelry category and not under costume jewelry.

### February Club Outing

The monthly club outing for February will be Sunday, the 18th.

Meet at the McDonalds located at 659 E. Broadway in Eugene at 8:00am. At that time you will be given the location of the outing and we will all leave McDonalds at approximately 8:50am. Hunting will be from 9-1pm.

### Roster Additions

No new members in the month of January.

## Magnificent Quest by Jim Straight

– The following book is available in our club's library. To check it out, contact Club Librarian Don Quinton at [goz-ento@hotmail.com](mailto:goz-ento@hotmail.com) or come to the next meeting.

Club Library Book #3  
51 Pages

This is a guide to prospecting, dry-washing and nugget shooting in the desert. Jim has filled this little booklet with some very important information for anyone contemplating a trip to the desert using a detector. The following is what is covered in each chapter:

Chapter 1: A Brief Overview of the Desert

Chapter 2: Features Common to the Desert

Chapter 3: Desert Plants and Animals

Chapter 4: Man and Desert Survival

Chapter 5: Man invades the Desert

Chapter 6: Minerals and Metals

Chapter 7: Recreational and Small Scale Mining

Sounds like a good little book to check out before you buy your own copy! ✂

★Reminder to club members, if you have magazines or books on detecting, you can put them on loan or donate them to the club.

– Don Quinton, Club Librarian

**Attention All Trash Diggers!**  
Bring your metal trash—found while detecting—to each club meeting. Don Quinton will keep the collection of trash as it grows, and will create a display to show the community how we keep the parks clean & safe!

If you dig it – please remove it!
