

Supporting our local Kids Food Pak Program

Helping our local children with easy to prepare foods for the weekend. Sweet Home supplies around 200 children with food for the weekend every week, many children go without when school lets out for the weekend, the local Kids Food Pak Program helps these children have healthy easy to prepare foods, IF funds allow!
IN 2017 East Linn Treasure Seekers donated \$3500.00, last year (2018) we donated \$10,000.

We are excited to bring the Silver Hunt to you again this year in a fun, competitive way to help earn those much need dollars for the children.

Fill out the form below and mail or drop off to a Board Member for the up-coming Hunt.

Good luck, have fun and thank you for joining us.
